\*\*\*Daily, Classroom Zones are participated in that help develop children's social/emotional, physical, cognitive & language/emerging literacy skills!

## March Songs/Rhymes of the Month

### Week One

#### **S-U-N-N-Y** (Tune: "Bingo")

There's a weather that I like and sunny is its name-o.

S-U-N-N-Y,

S-U-N-N-Y,

S-U-N-N-Y,

And sunny is its name-o!

\*Sing again and replace with other weather words like R-A-I-N-Y, W-I-N-D-Y, etc.

### Week Two

#### **The Color That I See** (Action song! *Children stand up and complete the actions when their clothing matches the color chosen.*)

Red is the color that I see,

If you're wearing red then show it to me,

Stand up, turn around, touch the ground,

Show me your red then sit back down.

\*Repeat, naming a different color each time.

### Week Three

#### **Little Duck Song** (Tune: "London Bridge")

Little ducks go quack, quack, quack,

Quack, quack, quack,

Quack, quack, quack,

Little ducks go quack, quack, quack, in the springtime.

\*Repeat with other springtime animals (Ex. Little lambs go baa, baa, baa...) & make up other verses with other baby animal sounds and movements

### Week Four

#### **I'm a Little Seed** (Action rhyme)

I'm a little seed hiding deep in the ground, (*child squats down and covers his head with his hands and arms*)

And the sun shines, and the rain falls, and I pop up my head, (*quickly uncover head and look up on "pop"*)

I reach up my leaves, (*begin to stand and stretch arms up*)

And I stretch up to the sky, (*stand tall and reach up*)

Now I'm a beautiful flower, (*bring hands to side of face*)

Blowing in the breeze! (*gently sway from side to side*)

### Week Five

#### **This is the Way We...** (Action song)

This is the way we scratch for worms, scratch for worms...

This is the way we peck for our food, peck for food...

This is the way we sit on our eggs, sit on our eggs...

This is the way we flap our wings, flap our wings...

This is the way we fly away, fly away...
