Is it SPRING yet?

- The first spring flowers are typically lilacs, irises, lilies, tulips, daffodils, and dandelions.
- Baby birds learn to sing during spring. Although they are born with the ability to sing, they must learn the specific songs of their species. They often learn their songs within two months of being born.
- **March 20th is National Ravioli Day!**

NEED A GOOD LAUGH?

What season is it best to go on a trampoline? **SPRINGtime!**
